**Acknowledging our stories and imagining the potential within us.**

The NDIS (National Disability Insurance Scheme) will begin in Brisbane in 2 years time. It will change the way people with disabilities engage with services.

We will offer a space for people to begin to explore possibilities they would like to foster in their lives (or the lives of those they support) in order to imagine their potential and get the best outcome from the NDIS.

*We would greatly value your input and insight at this Guiding Group meeting.*

*Please join us if you are able to.*

*Please bring some food to share for dinner if you can.*
